Let's keep unlocking the power of collaboration in 2024: CEBEM Mobility Fellowships and Fast-Track Option

Email:

Dear Scientific and Academic Community,

We are excited to announce the opportunity to participate in CEBEM Mobility Fellowships designed to unlock the power of collaboration in the field of Structural Biology or Structural Biology plus Bioimaging Integrative Approaches.

CEBEM invites graduate students, researchers, and research facilities' staff to apply for this initiative that aims to foster knowledge exchange and experiences in Latin America by supporting visits between CEBEM nodes and other laboratories in the region and abroad. The fellowships provide funding of up to USD 3000 to cover travel/lodging expenses and facility bench fees.

Additionally, CEBEM offers a Fast-Track Option for those with urgent needs in the fields mentioned above. Graduate students, researchers, and research facility personnel can receive funding of up to USD 1000 to support their travel/lodging expenses and facility bench fees.

Applications in English are open until April 18th, 2024. Don't miss this chance to enhance your research experience by collaborating with other research groups:
