Meet senior delegates from City University of Hong Kong to discuss the future of education in Asia's Global City

**City University of Hong Kong** is a dynamic and fast-growing university in the heart of Asia's world city.

A senior delegation led by the President of the University, Professor Way Kuo, will visit Buenos Aires on Saturday the 8th of December to present CityU's vision for the future.

A publicly-funded institution, City University of Hong Kong is committed to nurturing student's potential and to supporting social and economic advancement.

The University recruits outstanding academics from around the world in disciplines including business, creative media, data science, energy and environment, humanities and social sciences, law, science and engineering, veterinary medicine and life sciences.
